**EXHIBITION
OPPORTUNITIES**

The only Symposium addressing Queensland's essential waste management and resource recovery sector

FWR 2025 is being held from

12 - 14 February 2025

at the

Sea World Conference Centre on the Gold Coast

About the Future Waste Resources Symposium 2025

FWR 2025 will be a forum for the exchange of ideas and discussion around key industry issues. Presentations and sessions will provide information about how business, with sound government policy, can deliver improvements to the State's waste diversion and resource recovery growth in line with community expectations and industry aspirations.

The program will capture four prominent themes relevant to all stakeholders with interests in the waste and recycling industry. It will look to the future by demonstrating what is currently being achieved and what is next on the horizon. The program will boast presentations by industry leaders and innovators, panel discussions and four themed streams focused on the significant issues impacting the industry now and beyond.

The trade exhibition will complement the program by providing an opportunity for delegates to meet with suppliers and discuss the latest industry developments and innovations. All meal breaks will be served within the exhibition area to maximise interaction between delegates and exhibitors.

The Welcome Function and Conference Dinner will also provide an excellent opportunity to gain important industry and government contacts.

Host organisation

Waste, Recycling Industry Qld (WRIQ)

Representing more than 90 Queensland-based organisations ranging from multi-nationals through to small family owned and operated businesses, WRIQ engages in a broad range of state-specific issues of strategic importance to the sustainability and development of the sector.

WRIQ represents all aspects of the sector including major landfills, transfer stations, resource recovery facilities (including advanced manufacturing), sustainable and firming power facilities, and collection services.

For more than a decade, WRIQ has earned a reputation as a leader in sectoral policy development and driving change to improve the operating environment for Queensland's waste management, recycling and resource recovery sectors. Recognised as a non-partisan organisation that works effectively with all levels of government, WRIQ is acknowledged as an influential and respected advocacy group in Queensland.

Who will attend

WRIQ Events attract a high calibre of participants from both regional and metropolitan Queensland as well as other Australian States and Territories.

FWR 2025 is expected to attract more than 200 delegates from all corners of the industry including:

- Representatives from Local, State and Federal Government
- Resource recovery and waste management companies
- Experts in legal, insurance, contracts and policy issues
- Suppliers of vehicles and other plant and equipment
- Other suppliers to the waste industry, such as software, hardware and bin companies
- Representatives from associated industries such as building, agriculture and manufacturing
- Providers of cutting edge solutions to niche parts of the industry

FWR 2021 ATTENDEES

Held at a time when many organisations still had restricted travel policies, FWR 2021 attracted 260 delegates from across Australia.

Role

Venue

Sea World Resort Conference Centre Seaworld Dr, Main Beach QLD 4217

Set between the Gold Coast's spectacular Broadwater and the Pacific Ocean, Sea World Resort is an idyllic location for conferences and events.

Sea World Resort is only a short walk away from special encounters with Sea World's wonderful marine life.

We encourage you to bring the whole family and enjoy all Sea World has to offer, including heavily discounted park entry and accommodation options.

Location

Australia's Gold Coast is a unique city and one of the world's best holiday and conferencing destinations. It has everything that is great about Australia, all in one easy to reach location. A spectacular coastline, World Heritage listed rainforest, an exciting city centre, golf courses, theme parks, shopping, restaurants and year round events.

A sun-kissed city by the sea, the Gold Coast is a place defined by an unmistakable energy. Each year, over 13 million visitors flock to the city, eager to soak up the sun, feel the sand between their toes and take part in the near limitless range of attractions and experiences.

Located on Australia's South-East Queensland coastline, the Gold Coast is serviced by two major airports. Brisbane Domestic and International Airport is less than one-hours drive away, while Gold Coast Airport is just 30 minutes drive from the centre of Surfers Paradise. Direct flights to and from all Australian capital cities and regional areas, plus a majority of metropolitan centres across the globe are readily available through a wide range of airlines. The Gold Coast also has an extensive public transport network.

Benefits of Exhibiting

This timely and important event will present practical insights and outcomes that articulate how Queensland can deliver a new business environment focused on achieving a 'circular economy' in secondary resource management, and what is and can be achieved in this state.

FWR 2025 is designed to facilitate a multitude of formal and informal networking opportunities allowing you to interact with delegates and exchange ideas in a relaxed environment.

If your organisation wants to stand out as being an innovator in the waste and recycling industry, you can't afford to miss out on this opportunity.

PROMOTE AND SHOWCASE

Position and enhance your brand, company, products and services to your target market in a cost-effective way with widespread and highly visible acknowledgement of your company's involvement. You will benefit significantly from exposure to an engaged, relevant and influential audience in an environment away from the competition of everyday distractions.

NETWORK AND CONNECT

FWR 2025 gives you the opportunity to connect with key industry stakeholders and maintain existing business relationships.

ENHANCE YOUR PROFILE

Align your brand with the FWR 2025 Symposium and the host organisations for event exposure and ongoing promotion opportunities. Your business will be viewed as a blue ribbon waste industry company or supplier and again immediate acceptance from potential customers

GAIN VALUABLE INSIGHTS

By sponsoring and attending the Symposium, gain valuable insights, information and exposure to the latest developments in the industry.

If your organisation wants to stand out as being an innovator in the waste and recycling industry, you can't afford to miss this opportunity.
